## HOW TO GET TO PORT DE SOLLER

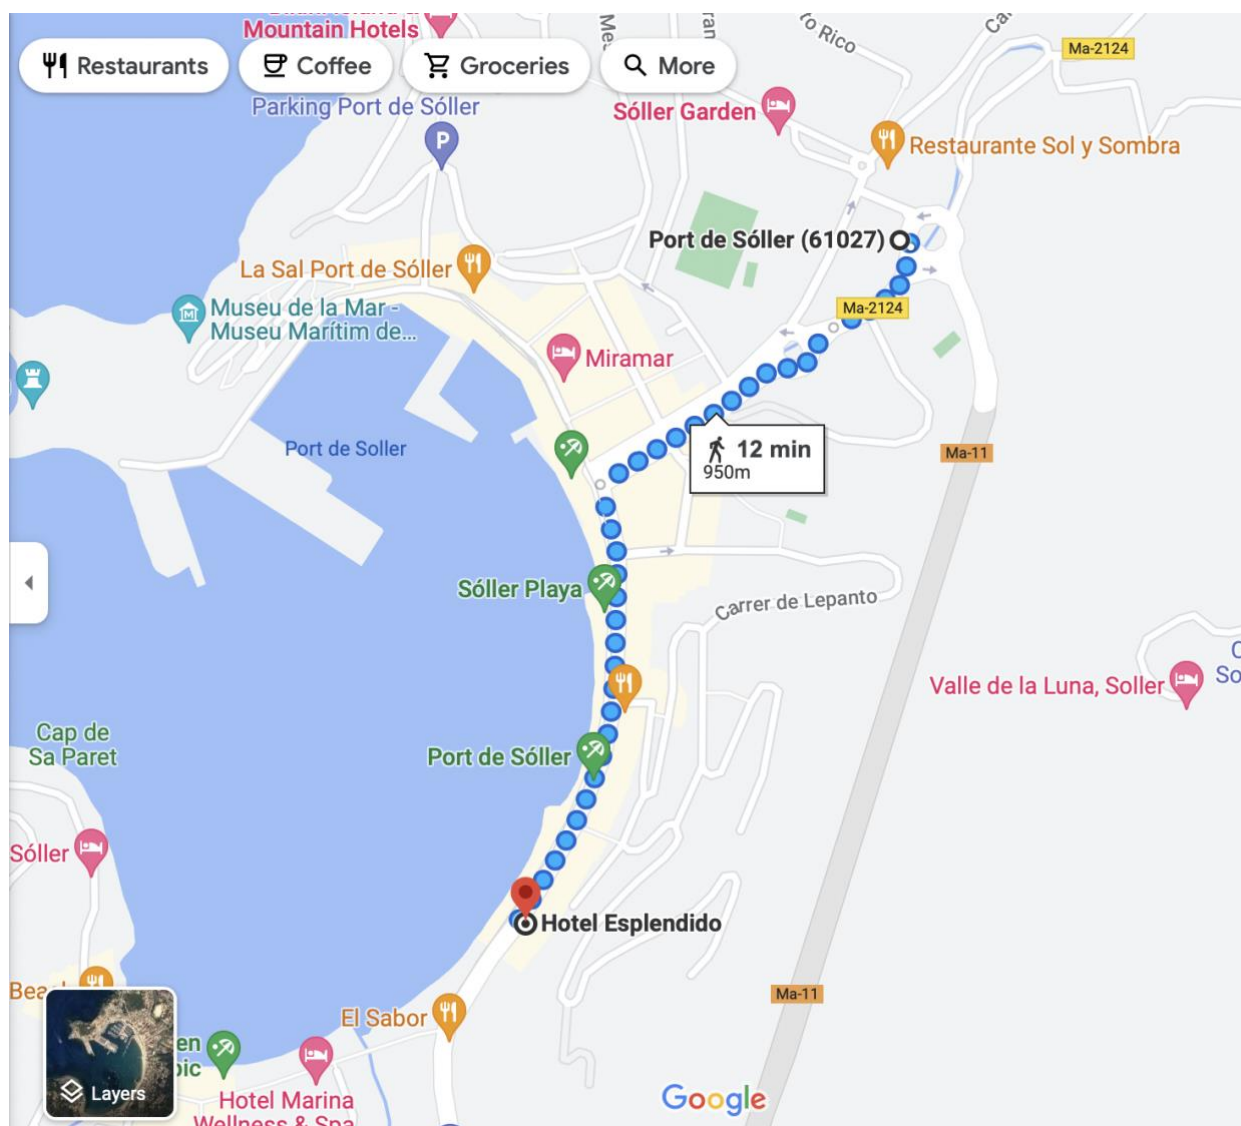

The easiest way to get to Port de Soller is to fly into Palma international airport (PMI). The airport is well connected to Palma central station (through Bus line A1) where there are direct buses and an historical train to take you to Port de Soller.

One could also rent a car at PMI (plenty of options). It is a scenic and beautiful drive up the mountains to get to Port de Soller. All the restaurants, trails and amenities are within an easy walking distance from the hotel and conference venue.
